[jellis@aceheavyhaul.com](mailto:jellis@aceheavyhaul.com)  
Website: <http://www.aceheavyhaul.com>

ACE is a safety and service oriented heavy haul and complex shipment transportation provider that operates on the core principles of honesty, integrity, and hard work. ACE specializes in the petrochemical and oil industries from single load moves to project and turnaround movements; including all equipment for drilling, construction, pumping, refining, storage, etc. We want to be your single source solution provider for all your trucking needs from LTL to superload, rail or barge transport, and cranes for loading and offloading. From 1 pound to 1 million pounds let ACE be your first choice. We look forward to working and building a successful future together

## **American Transfer & Storage Co.**

110 S. 129 E. Ave.  
Tulsa, OK 74108  
Phone: (918) 437-9300  
Fax: (918) 437-9325  
Robert Nixon, Dispatcher  
Email: [quotes@aceheavyhaul.com](mailto:quotes@aceheavyhaul.com)  
Website: [www.americantransferok.com](http://www.americantransferok.com)

American Transfer is a family-owned and managed equipment relocation specialist business that has been serving Tulsa since 1923. Specializing in heavy hauling, American does industrial plant moves, moving and setting of industrial machine tools, moving of contractor's equipment (back-hoes, graders) and concrete traffic barriers. American also works with forklifts and cranes to load and reposition loads, and offloads their vehicles and other's vehicles. Most of American's work is within 50 miles of the Tulsa Metro area. They have authority for up to 300 miles, which includes OK, AR, MO and KS. American's work is divided between crane and forklift projects and moving or trucking. Click on American's website to view some of their equipment.

## **Anchor Freight**

13700 S. Meridian Ave.  
Oklahoma City, OK 73173  
Phone: (405) 606-5043  
Fax: (866) 761-0045  
Scott Robinson, Outside Sales  
Email: [srobinson@anchorfreight.net](mailto:srobinson@anchorfreight.net)  
Website: [www.anchorfreight.net](http://www.anchorfreight.net)

Anchor Freight is big enough to handle the needs of customers of all sizes and types, but small enough to still focus on the little things that matter. We believe that traditional values, such as honesty and integrity, are what set us apart from our competition. We are a full service transportation third-party logistics provider with relationships with over 4,300 contracted carriers and private fleets nationwide. These relationships allow us to exceed our customer's expectations for efficiency and customer service. Flatbed, step deck, or van...we can help you with all your transportation needs. Even a special load like over dimensional freight or a time sensitive transfer...we have experience in every freight specialty.

# Heavy Haul Service Providers

## **Perkins Specialized Transportation Contracting**

1800 Riverview Drive  
Northfield, MN 55057  
Phone: (507) 301-0700  
Fax: (507) 301-0705  
Ray Morgan, Regional VP  
Email: [rmorgan@heavyhaul.com](mailto:rmorgan@heavyhaul.com)  
Website: [www.heavyhaul.com](http://www.heavyhaul.com)

Perkins Specialized Transportation Contracting singular focus is on the transportation of extreme dimension and or super heavy long distance highway moves utilizing modular style equipment engineered around your shipment. These loads are too large or heavy for conventional highway transportation equipment and typically *cannot be cleared for rail transportation* throughout North America.

We have extensive and significant experience in moving cargo in nuclear and conventional power, aerospace, defense, petroleum refining, oil and gas, alternative fuels and other industries that require engineering support, project management and unique equipment to coordinate their most difficult long-distance highway moves.

## **Progressive Rail Specialized Logistics**

P.O. Box 578  
Lakeville, MN 55044  
(612) 247-9610  
Joe Fehr  
Email: [jfehr@progressiverail.com](mailto:jfehr@progressiverail.com)  
Website: [www.prorailspecialized.com](http://www.prorailspecialized.com)

Progressive Rail Specialized Logistics provides turnkey rail solutions for many commodities with an emphasis on over-dimensional products, construction and agricultural machinery, waste and hazardous materials. We handle traffic throughout Canada, United States and Mexico.

We can move just one piece, coordinate a project or manage a whole shipping program to meet customers' unique products and shipping patterns. Shipping program management can include fleet management, railcar acquisition and railcar retrofitting.

## **Simplified Rail Logistics**

5100 S. Thompson, Suite 208  
Springdale, AR 72764  
(866) 455-5230  
Josh Laman, Director of Special Services  
Email: [JLaman@SimplifiedRailLogistics.com](mailto:JLaman@SimplifiedRailLogistics.com)  
Website: [www.SimplifiedRailLogistics.com](http://www.SimplifiedRailLogistics.com)

Simplified Rail Logistics mission is to reengineer traditional transport methods and to provide innovative multimodal solutions with a goal of reducing our customer's total logistics cost. Rail logistics is the backbone of the service offering which we back up with experience, core values, creativity, dedication, and integrity.

## **Sooner Heavy Haul, Inc.**

14985 E. Highway 20  
Claremore, OK 74017  
Phone: (918) 342-9994  
Fax: (918) 342-3638  
Mailing address:  
PO Box 1003  
Claremore, OK 74018  
Jeff Henning, President  
Email: [jeff@soonerheavyhaul.com](mailto:jeff@soonerheavyhaul.com)  
Website: [www.soonerheavyhaul.com](http://www.soonerheavyhaul.com)

Sooner Heavy Haul is a locally owned and operated specialized carrier serving all 48 states and Canada. Constantly striving to exceed our customer's expectations our offerings go beyond trucking. Experience with other modes of transport gives us the ability to utilize rail or barge when costs, size and schedules dictate an alternative means of transport, often combining all three. In addition to all means of transport, we offer project planning and management, engineering, custom fabrication of transport equipment and site evaluations. Our equipment includes all types of trailers, three and four axle power units, custom built beams, dollies and turntables. Our 10 acre facility is located 15 minutes from the port and can be reached at virtually any height or weight. We are constantly updating and adding equipment and excel at handling loads and projects other carriers consider too difficult. Given proper time and information to plan virtually any load is within our capabilities. We are a proud member of the SC&RA.

## **Taylor Crane and Rigging, Inc.**

11710 E. Tecumseh St.  
Tulsa, OK 74116
